About me

Junior software developer focused on building cross-platform mobile and web apps. Strong foundation in Flutter/Dart, Java and SQL; comfortable with version control (Git/GitLab) and agile teamwork. Familiar with Angular at a basic level. Multilingual communicator (Dari, Pashto, Spanish, English) with experience collaborating in fast-paced, customer-facing environments.

SKILLS

Proficient:

Flutter (Dart), Java, Python, SQL, Git/GitLab, Android Studio, REST APIs, JSON, XML, GitHub

Databases:

MySQL, SQLite, SQL Server

Familiar/Exposure:

Angular (basics), Hibernate, Selenium, CSS Postman, Java Swing, HTML5

EXTRAS

- Driving license.
- Availability: part-time/full-time

Nasratullah Jabarkhil

Junior Software Developer
